## Dear Parents and Carers,

I would like to welcome you and your child to West Lynn Primary School. I really hope that you will enjoy being part of our special school community and that your child will remember their days with us with pleasure and affection.

This prospectus is designed to give you an idea of the way the school is run and to give you information about the curriculum. I hope that you will find it useful, but it does not attempt to take the place of the vital personal contact between school and parents, which is essential for effective relationships to develop.

At West Lynn, staff and governors are committed to a partnership between home and school. We aim to create a stimulating and supportive environment, so that children are able to develop to the full extent of their ability. We all look forward to working with you.

Ms Joanne Borley  
Executive Head Teacher

**We work together to learn together!**

### Our Vision for Education:

At West Lynn Primary School we will work together to learn together through providing a safe, supportive and stimulating home from home, where children can develop their full potential in an inclusive, active, fun and loving environment.

Working in partnership with parents we will provide the very best start in life, encouraging respect and curiosity to develop confident learners, who are ready to meet the future challenges of education, work and life.

### Our School Values:

#### At our school we...

- Promote the development of the whole child and prepare them for life in an environment where safeguarding is taken seriously.
- Foster self-respect and encourage respect for other people.
- Provide all pupils with a broad and balanced curriculum.
- Encourage pupils to fulfil their potential and strive for high standards in all they do.
- Ensure pupil's progress is monitored and made available to parents, governors etc.
- Encourage the varied involvement of parents and other members of the community in the educational, cultural and social development of the pupils.

## About Us

West Lynn Primary School was established over 100 years ago. The school, built 1904 was extensively modernised in 1969 and extended in 1972 and 2009. As a Primary School, it caters for children between the ages of four and eleven years.

There are seven multi-purpose classrooms, with two classrooms in a state of the art modular building, and a large hall. The hall is equipped with a climbing frame; it is used for indoor P.E. activities, music, drama, assembly and lunch.

The school has two large playgrounds and an outdoor area attached to the reception class. There is a large tree-lined field, which is used for outdoor games, athletics, environmental studies and playtime in better weather and there is an adventure playground to the side of the field. In addition to this we have a climbing wall.

## The School Day

Children may arrive at school from 8.30 am, however teaching staff are not on playground duty until 8.45am. A member of staff is also on playground duty at the end of the day.

**School begins: 8.55 am**  
**Morning break: 10.30 am – 10.50 am**  
**Lunch break: 12.00 pm - 1.00 pm**  
**Afternoon break: 2.15 pm – 2.30 pm (KS1 and Reception only)**  
**School ends: 3.05 pm**

## Admissions

By law children must start statutory education full time at the beginning of the term following their fifth birthday. All children from September 2013 will be offered full-time positions in our Reception class. Should parents not feel that their child is ready for full-time education at this time, they should contact the Head Teacher as soon as possible. The School's admission limit in our Reception Class and Key Stage 1 is 30 and 32 in our Key Stage 2 classes.

Admissions to the school are handled by the Local Authority Admissions department.

In the event of over subscription the priority is:

1. Children who are deemed as 'looked after' or have a statement of Special Educational Needs, which specifically identifies our school.
2. Children living in West Lynn.
3. Siblings of children already in the school.
4. Children from outside the village who have supported medical reasons for attending the school.
5. Children from outside the village based on geographical proximity to school.

Parents of children not offered a place at the school have the right of appeal to the Local Authority.

## **The National Curriculum**

Curriculum requirements for all subjects are delivered through the new Primary National Curriculum (2014).

### **Mathematics**

Maths is taught on a daily basis. We aim to ensure that all our pupils are confident with all aspects of maths. Significant importance is placed on developing the ability to use maths in everyday situations. Children are taught to use and apply mental and practical strategies to solve problems that they may face in day-to-day life. We aim to make maths as practical and fun as possible, using it in other areas of the curriculum as appropriate, especially in computing.

### **English**

In daily lessons children are taught skills in reading and writing through a range of planned activities. Differentiated activities support the less able and extend the more able pupils. Skills and techniques are demonstrated and shared by the teacher through role modelling, shared class work, group and individual activities. Regular guided group work in reading and writing is led by the teacher or another adult in the classroom, including the use of the Letters and Sounds programme in the Foundation Stage and Key Stage 1. Speaking and listening skills are taught through circle time activities and developed across the curriculum. The school teaches phonics through the Phonics Bug scheme and uses the Oxford Reading Tree as a reading scheme.

### **Science**

Essentially science is about exploring, investigating and discovering things to gain knowledge and understanding about the world we live in. We aim to provide children with the skills needed to investigate and explore ideas independently. As science is such a practical subject it is taught using a hands-on approach wherever possible. Consequently we have built up a full range of equipment and resources for children to use. Science is taught through as a discrete subject every week and activities make the subject more meaningful.

### **Learning Challenge Curriculum**

The Learning Challenge Curriculum is a question-based approach to structuring and delivering the National Curriculum. Children suggest questions they would use to begin to dive deeper into each theme. This gives the children ownership of their learning. There is a main question and weekly mini questions.

### **Extra Curricular Opportunities**

A number of clubs are held each week to allow children to follow particular interests and develop skills, including Football, Music and Art. Voluntary activities are an important part of school life and encourage involvement and commitment on the part of children, staff and parents. All classes take part in regular curriculum linked school trips. Full risk assessments are carried out for all school trips and visits – and only take place when approved by the Head Teacher and the Local Authority. Trained first aiders are always in attendance on all school trips and visits.

The school uniform is compulsory and consists of the following items:

### **Boys**

Grey trousers (optional shorts in summer)  
Navy school sweatshirt / jumper  
White Polo shirts or White or blue shirts  
Traditional school shoes

### **Girls**

Grey skirts / trousers (opt. shorts in summer)  
Navy school sweatshirt, jumper or cardigan.  
White or blue blouse or white polo shirt  
Blue or blue/white checked dress (Summer)  
Traditional school shoes

### **PE and Games**

Children will need shorts, a 'T' shirt and plimsolls. Junior children will need tracksuits and trainers for outdoor games and football kit if appropriate. Children who go swimming will need a costume, hat and towel clearly named.

Sweatshirts, book bags, swimming hats and summer caps can be purchased from the office.

Our school dinners are cooked off site at Reffley Primary School. Children having school dinners pay the standard county charge each day for their meal with the exception of all children in Reception, Year 1 and Year 2 who are entitled to free school meals. All school meals should be ordered each week via 'Parent pay'. Children may bring a packed lunch and should have their food in a named lunch box and a drink in a named and leak-proof container. Cans and glass bottles are not permitted. Children can bring their own healthy food for break time.

### **Home-School Communication**

A school newsletter is produced and distributed to parents every week, published on the website and are available through email via the office. Class curriculum presentations, are given by all teachers in September and a letter is published in the spring and summer terms giving information about the term's topic, homework and planned trips.

### **Jewellery, Games and Toys**

Children are encouraged to dress appropriately for school and avoid extremes of fashion, especially footwear that can be dangerous and/or impractical at school! Stud earrings and watches are the only jewellery permitted. Any small toys or games that are brought into school are the responsibility of the owner and should be named. Older children who travel to and from school on their own are permitted to have mobile phones in school, but these should always be left in the main school office during the school day. All other children are not permitted to bring mobile phones to school. Children and parents can always use the school telephone system to leave essential messages.

### **Special Educational Needs (SEN)**

Children are described as having Special Educational Needs when they have difficulties that affect their learning. SEN needs may range from relatively minor needs which may involve additional support from outside school to more serious concerns that may require an Educational Health Care Plan (ECHP). Regardless of the severity of the need, the children's progress is recorded and monitored throughout the school. At present many outside agencies visit the school e.g. Educational Psychologist and staff from the Learning Support Services. They may be called on to help children and give advice to staff. The school employs Teaching Assistants who work with SEN children and the child's class teacher. The school has an SEN co-ordinator to oversee the running of the schools policy and ensure it is up to date and effective. We actively work towards an inclusive education for all our pupils.

### **Assessment, Recording and Reporting**

Teachers regularly assess all children as this ensures that work appropriate to the child's ability is planned. Children's progress is tracked throughout their school life. Formally, children are assessed by using The EYFS Profile in Reception class. In Year 2 (7 years of age) they take the national Standard Assessment Tests (SAT's) to aid teacher assessments and in Year 6 (11 years of age). The results of SATs are published each year. Parents receive a written report on their child's progress in February each year and a pupil attainment profile in July. Parents are given the opportunity to meet teachers throughout the year to discuss their child's progress.

### **Safeguarding and Child Protection**

School staff have an important role to play in keeping children safe. All staff, both teaching and non-teaching, are instructed to report any suspicious circumstances to the Designated Safeguarding Lead or Head Teacher, who is required under procedures laid down by the Norfolk Child Protection Committee to alert the Social Services Department. Members of staff are obliged to act in line with the procedures set down, and could be deemed to have acted improperly if they fail to act. Use of the procedures in no way infers that any parent/carer is accused of wrong doing. Parents may seek advice and guidance from the Designated Safeguarding Lead or Social Services directly. Our Safeguarding Policy is available on our website or from the office on request.

Our school policy allows staff to administer medication to children with written permission from parents/carers. Each class teacher has a file with copies of permission forms. Children who have inhalers should be able to administer their own medication, and inhalers may be kept in school in an agreed place, with the knowledge of the class teacher and Head Teacher. Parents may come into school to give medicine to their children, but parents must report to the School Office first. In the event of illness or accident parents will be contacted and asked to collect their children from the School Office. It is therefore vital that we always have up to date contact details. An accident/incident report form is always completed after each accident/incident and a copy sent home listing full details of the accident/incident and the action taken.

### **School Security**

All visitors to the school should report to the main office, sign in and wear a visitors badge whilst in school. Anyone collecting a child during the day for any reason should notify the office staff of their presence and intentions. All staff are alert to the need to report any person or occurrence which may pose a danger to our children.

### **Behaviour and Bullying**

We follow a positive behaviour policy to encourage good conduct and consideration towards others, which should minimise the chances of a bullying situation developing. If a specific issue relating to bullying arises, this is always taken seriously. Reported incidents are investigated and dealt with thoroughly and sensitively by the appropriate teacher. Such incidents are reported to the Head Teacher. Parents of all the children involved in an incident are informed and consulted regarding any measures the school may decide to take.

### **Charging Policy**

Under the terms of the 1981 Education Act the school makes no charge towards educational activities, materials or transport (other than overnight accommodation). However the school does not have sufficient funds to cover the cost of all trips, outings or school journey, and therefore must ask for voluntary contributions in order for these activities to take place. Parents may be asked to pay for materials used in cooking and certain crafts, if they agree in advance that they wish to own the finished product.

### **Complaints**

Any concerns or worries about the curriculum, children in the school or the workings of the school or staff should, in the first instance, be taken to the class teacher. Many of our school policies are available online through our school website, however you are welcome to request to see policies by appointment. If you feel your concerns have not been addressed or you have a complaint about the Head Teacher or an individual Governor, this should be taken to the Chair of Governors. Complaints about the actions of Governing Body should be referred to the West Norfolk Academy Trust.

### **Friends of West Lynn Primary**

The school has a 'Friends Association' who actively raise funds for the school. Events are organised for the children, parents and local community. A wide variety of events take place throughout the year including adult bingo events, pamper evenings, discos, Easter fairs and pumpkin carving. The Friends give up their time freely to organise these events and enhance the quality of provision in the school. Over the years they have raised money to purchase a climbing wall, computer equipment, to help pay for school trips and lots more. The Friends meet once a term to organise events and meet with the management team of the school.
