Year R

Homework Challenge – SPRING 2 2018

Building on the success of our homework challenge last year and the fantastic homework that the children completed, we move into the second Spring half term with our homework challenges. This type of homework really does motivate children and enhances their learning. We would like children to select at least one of the challenges below, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings and maths that are set. Examples of children's homework can be found on the website under the 'Gallery' section.

Our topic this term is **People who help us** and the following are all ideas that tie in with the topic:

Find out about the jobs people have in your family.	Find out information about a particular job. E.g. police, ambulance driver etc	Write a story about someone who helps us.
Draw a picture of someone helping as part of their job.	Dress up as a person who helps us. Take a photo and bring it in.	Create a model of a vehicle used by someone who helps us.

The challenge work for SPRING 2 is due in **Monday 26th March** and on **Wednesday 28th March at 2:30pm** each child will get to present their work and for it to be celebrated. Parents are invited to this session too! **Please note that you will also have the valuable opportunity of looking through your child's Learning Journeys to see what they have been learning in school.**

As we did last term, the children will have their 'Homework Challenge book'. We are expecting **one double page** to be used for each topic or you may choose to make a model, depending on the options available.

It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! If you would like to do more than a double page then this is absolutely fine too. All we ask is that everyone has a go, so they all have something to share at the end of each term.
