Year 1

Homework Challenge – Autumn Term 1, 2020

We would like children to select one of the homework challenges below for this term; however, children can do as many as they wish. This will continue to be run alongside the regular reading, spellings and weekly maths or English homework that are set. Please upload a picture of the finished work to the Homework Challenge portfolio on Class Dojo.

<p>Art - Colour</p> <p>Practice mixing the primary colours to create secondary colours. Create a painting or collage using either warm colours or cool colours.</p> 	<p>Science - The Human Body and Senses</p> <p>Draw a picture of yourself and label the different parts of your body. Or you might choose to create a factfile on the job of an optician, audiologist or doctor! What do they do? How do they help us to look after our bodies?</p> 	<p>Geography - Maps and Spatial Sense</p> <p>Create a map of either a room in your house, or your dream bedroom. What would you include? Can you create a key?</p> 
<p>Computing - Online safety</p> <p>Create a poster to teach others about staying safe online. Who can you ask for help when using technology, and tell if something happens that you are not sure of?</p> 	<p>RE - Christianity</p> <p>Draw pictures to show the 7 days of the Christian story of the Creation.</p> 	<p>PSHE - Being me</p> <p>Draw or paint a self portrait or create a piece of 3D art to represent yourself. What does it tell us about you? You may also write a book all about you!</p>
