Homework Challenge Autumn Term 2 2020

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spelling, Maths and English homework that are set.

<p><u>History- Ancient Greece 2</u></p> <p><i>What does it mean to be a good person?</i></p> <p>Greek Philosopher Socrates, Plato and Aristotle questioned many things about life. Can you make a mind map about what you think it means to be a 'good person'? What qualities must you have?</p>	<p><u>Science – The Water Cycle</u></p> <p><i>Make The Water Cycle!</i></p> <p>This great experiment called 'Water Cycle in a Bag' allows you to see the exact process of the water cycle! Make a prediction and write down the results!</p> 	<p><u>Art – Sewing</u></p> <p><i>Practise your sewing skills!</i></p> <p>Try out either a: running stitch, back stitch, over stitch or blanket stitch using a needle, cotton and some material. You could send in some photos of your work to share with us!</p>
<p><u>R.E – Christmas</u></p> <p><i>How do you celebrate Christmas with your family?</i></p> <p>You might put up a tree or eat a big Christmas dinner but not every family celebrates this way. You might like to draw a picture and label it to show what things make your Christmas Day special to you and your family.</p>	<p><u>Geography – Western Europe</u></p> <p><i>Choose a country within Western Europe and research it!</i></p> <p>You might like to think about what their climate is, what food they eat, what language they speak, where it is on a map or how long it would take to travel there!</p>	<p><u>PSHE</u></p> <p><i>Go on an Autumn Walk!</i></p> <p>What can you see? What sounds did you hear? What can you smell? How did you feel before/after your walk? Who went with you? What was your favourite part? Did you take any photos?</p>

The above menu details a range of work for the subjects that your child will cover this term. The children will have their 'Homework Challenge book' to record their homework in if they wish. However, depending on the option they choose, the children may choose to record their homework in a different way that doesn't involve using their homework book. We do ask that everyone has a go at this homework so they all have something to share at the end of each term. We thank you for your continued support.
