Year 4/5

Homework Challenge – SPRING 2018

Building on the success of our homework challenge last year and the fantastic homework that the children completed, we move into the first Spring half term with our homework challenges. This type of homework really does motivate children and enhances their learning. We would like children to select at least one of the challenges below, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings and maths that are set. Examples of children's homework can be found on the website under the 'Gallery' section.

Our topic this term is **The Ancient Greeks** and the following are all ideas that tie in with the topic:

<p>Make a family tree for the Greek Gods</p> 	<p>Invent a new Olympic event. Draw pictures and describe it. What is the aim? What equipment do you need? How do you win?</p> 	<p>Imagine you are part of the Greek democracy. What would you change? What laws would you introduce?</p> 
<p>Invent a new Greek god/goddess, monster and hero. Plan and write a story about them.</p> 	<p>Research the Ancient Greek alphabet then choose five English words and write them in Ancient Greek.</p> 	<p>Make a timeline of at least five key events from the Ancient Greek period.</p> 

The challenge work for SPRING 1 is due in **Monday 5TH February** and on **Friday 9th February at 2:30pm** each child will get to present their work and for it to be celebrated. Parents are invited to this session too!

As we did last term, the children will have their 'Homework Challenge book'. We are expecting **one double page** to be used for each topic or you may choose to make a model, depending on the options available.

It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! If you would like to do more than a double page then this is absolutely fine too. All we ask is that everyone has a go, so they all have something to share at the end of each term.
