Gressenhall Project for LAC Gressenhall will be delivering an exciting art-based project for Looked After young people aged 16-18 in half term this February. The stories from the Workhouse (both good and bad) will be used as inspiration, as well as giving the young people involved a chance to think about their own transitions to independent living. Gressenhall would really like to work with looked after children who are living in residential units but those in foster care would be welcome too. For more information about the event please contact Jan Pitman via email jan.pitman@norfolk.gov or telephone 01362 869260
