

A video from Mrs K...

## Challenge 1:

- ▶ When you go for a walk count how many **red**, **blue** and **green** cars you see.
- ▶ How many did you count of each?
- ▶ Which colour did you see most of?
- ▶ Did you see any other coloured cars?
- ▶ If you can, ask a grown up to help you write down the numbers.

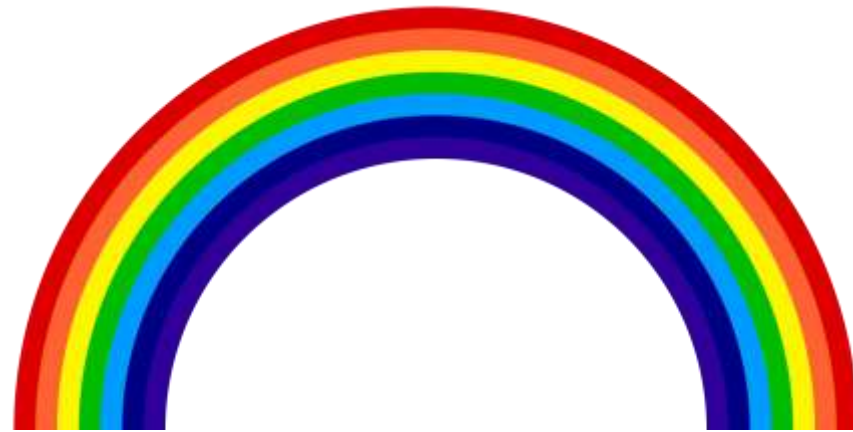

## Challenge 2:

- ▶ Draw a picture of yourself and write your name.
- ▶ Look in a mirror first, what can you see?
- ▶ Colour in your skin, eyes and hair to match what you see.
- ▶ Write your name as best you can.

Please bring this lovely piece of work to school with you on your first day, for me to see 😊

Until I meet you in September...  
Stay safe and enjoy your Summer!

From Mrs K 😊
